## FELLOWSHIPS, GRANTS, AND AWARDS

### GRANTS & FELLOWSHIPS

|                                                                                      |             |
|--------------------------------------------------------------------------------------|-------------|
| Research Fellowship (Data and AI Policy), \$10,000                                   | 2025        |
| <i>Dr. Rohan Alexander, Faculty of Information, University of Toronto</i>            |             |
| Research Fellowship (Interdisciplinary Writing), \$1,400                             | 2025        |
| <i>Dr. Malayna Bernstein, Faculty of Information, University of Toronto</i>          |             |
| Research Fellowship (Data Curation for ML), \$2,500                                  | 2023 - 2024 |
| <i>Dr. Christoph Becker, Faculty of Information, University of Toronto</i>           |             |
| Non-Resident Junior Fellow                                                           | 2022 - 2023 |
| <i>Massey College, University of Toronto</i>                                         |             |
| Research Assistantship (Data Literacy Game)                                          | 2022        |
| <i>Dr. Kelly Lyons, University of Toronto and York University</i>                    |             |
| Mobilizing Insights in Defence and Security (MINDS), \$10,000                        | 2021        |
| <i>Social Sciences and Humanities Research Council and Dept. of National Defence</i> |             |
| Canadian Graduate Scholarship - Masters, \$17,500                                    | 2021        |
| <i>Social Sciences and Humanities Research Council</i>                               |             |

### AWARDS AND HONOURS

|                                                      |      |
|------------------------------------------------------|------|
| Frederick Hudd Scholarship, \$1,500                  | 2022 |
| <i>Massey College, University of Toronto</i>         |      |
| Dean's Master of Information Scholarship, \$5,000    | 2020 |
| <i>Faculty of Information, University of Toronto</i> |      |
| University Senate Scholarship, \$800                 | 2019 |
| <i>Faculty of Science, McMaster University</i>       |      |

## TEACHING

### TEACHING EXPERIENCE

|                                                                            |                                     |
|----------------------------------------------------------------------------|-------------------------------------|
| Course Instructor, <i>Data Sciences Institute, University of Toronto</i>   |                                     |
| Data Visualization                                                         | Winter 2023 - Present (5 cohorts)   |
| Sampling                                                                   | Winter 2024 - Present (4 cohorts)   |
| Workshop Facilitator, <i>Faculty of Information, University of Toronto</i> |                                     |
| Reading and Writing About Data                                             | Fall 2023, Winter 2024, Winter 2025 |
| Data Visualization: Basics                                                 | Fall 2023, Winter 2024, Fall 2024   |
| Teaching Assistant, <i>Faculty of Information, University of Toronto</i>   |                                     |
| INF2171: Usability Assessment                                              | Summer 2023                         |
| Learning Hub Technical Tutor                                               | Fall 2022 - Ongoing                 |
